

CALL FOR ARTICLES

If your experience or research has produced information that could be useful to others, CROSSTALK can get the word out. We are specifically looking for articles on software-related topics to supplement upcoming theme issues.

Below is the submittal schedule for three areas of emphasis we are looking for:

Catching Up With PSP/TSP

July/August 2010

Submission Deadline: February 12, 2010

Software Assurance Safeguarding

September/October 2010

Submission Deadline: April 9, 2010

Architecture Today

November/December 2010

Submission Deadline: June 11, 2010

Please follow the Author Guidelines for CROSSTALK, available on the Internet at <www.stsc.hill.af.mil/crosstalk>. We accept article submissions on software-related topics at any time, along with Letters to the Editor and BACKTALK. We also provide a link to each monthly theme, giving greater detail on the types of articles we're looking for at <www.stsc.hill.af.mil/crosstalk/theme.html>. CROSSTALK is a peer-reviewed journal.
